For Researcher & Industry

# **Table of Content**

**A** Guideline For Researcher **B** Guideline For Industry/External **C** Failed to Register/Log in

## BINUS Research & Innovation Development and Global Engagement

## Connecting Gap

BRIDGES creates a dynamic and transformative ecosystem, connecting the gap between academia, industry, government, media, and society, to boost high-impact Research, Innovation and empower communities.

## Digital Infrastructure

BRIDGE represents an inaugural endeavor aimed at enhancing the digital infrastructure of BINUS Science & Technology Park

## A Guideline For Researcher

## Browse Products for Collaboration

## Create Account (1/2)

**Go to Website BRIDGE:** www.binus.ac.id/bridge Then select **login**

# **Failed to Register/Log in?**

If you experience issues during the registration/login process with your Binusian Account, please refer to these instructions. There are two methods available to resolve the problem.

Tips: Use the incognito window and Chrome browser if you keep experiencing difficulties with registration or login.

# Failed to Register/Log in?

Method 1

Method 1

## scroll to the bottom of the page,

2 **Select Internal** 

# and click "Continue with Binusian Account"

3

# "Pop-up Blocked", might appear

## w pop-ups and redirects", one

"Always allow pop-ups and redirects",

# After that, click continu

## click continue with **Binusian Account**

6

A Microsoft account login page pop-up will appear, please log in using your Binusian account with email @binus.ac.id and password, then continue the registration process.

## Failed to Register/Log in?

Method 2

www.binus.ac.id/bridge

2

## Click the **"padlock"** symbol

3

## Click "Site Settings"

## Pop-ups and redirects

in the **"Permissions"** section, then click the **▼ symbol** and click **Allow** 

After clicking **Allow**,

## please return to the **BRIDGE web tab** and click Reload or Refresh
